Trying to keep the mill as it is with all the equipment. Hurn still objecting as they think will bring ASB. Been delayed. No change with the mill. 3. Playbuliders. To enhance the play facilities in Muscliff. Muscliff Park and Setley Gardens have been identified. Consultation for Setley will be on the 9th and 16th June 7-9pm. Young people have stated that they would like a skate park in this area. Muscliff Park will begin in 2010. 4. Car park. To ensure that the gate is locked every evening by either Parks, Community centre or the Shack. The lock for the gate is missing. Lawrence replaced it but it disappeared again. Lawrence to replace again and issues keys to all parties. 5. Parking. There are issues with parking around Bradford Road and around the school during dropping off and collection time. Parents are parking dangerously on the corner of Bradford Road. Mandy to ask Enforcement to attend. To let SNT know when they are attending so they can go down before. To have zigzag line put in it would cost £1100. 6. Dirt Jumps in the park near the youth Club. Young people have requested dirt jumps in the park. Young people are digging up areas to do this already. The

					group had a big discussion on this and how this could be achieved and potential issues that could arise. The Ward Cllrs and youth Service and said they would fund this and parks would arrange it. Cllr Rey will go to Micheal Rowland and ask for his advice and ask for a site visit.
