

Are you entitled to FREE support, services and information?

Warm homes, healthy people with Safe And Independent Living (SAIL)

Local residents are being invited to receive FREE support, services or information to help keep them safe and independent in their own home.

Safe And Independent Living (SAIL) is a scheme that provides people with additional support such as:

- Fitting free smoke detectors and having a home safety check
- Having a home energy check and receiving grants for insulation
- Benefit checks to ensure that people are receiving everything they are entitled to
- Debt advice
- Signposting to local social opportunities, lunch clubs, exercise classes or learning
- Signposting to falls prevention services
- Support to live a healthier lifestyle
